

OK TELESCOPE THIEF

I get it. I am being too subtle for you. You probably don't even know what Jupiter is, do you? It's a planet dopey. In any case, let me be very clear for you.

**I KNOW WHO YOU ARE
TELESCOPE THIEF. MY
CAMERAS WATCHED YOU
STEAL MY TELESCOPE BY
DRIVING AROUND THE
TENNIS CAR PARK.**

More to the point Telescope Thief, you probably don't want the police involved in this matter, do you?
